

# World renowned Football Freestyler drops in at Noremarsch

**Ben Nuttall, World renowned professional Football freestyler visited Noremarsch Junior School on Friday to deliver his football freestyle workshop to some very excited pupils.**

Well known on social media, Ben has 3 Guinness World Records, has performed at many stadiums including Old Trafford, The O2, Wembley and performed for the 2018 Champions League Final in Kiev and has worked with people including Usain Bolt. Children at Noremarsch were very excited and eager to learn some freestyle football skills from Ben and he shared his skills and knowledge with them on a very hot day, making sure all pupils had the chance to learn some simple football tricks.

Talking about his workshops Ben said, "I love to inspire the next generation of budding freestylers," explaining, "but it's not all about skills, the workshops allow students to improve their coordination, balance, control and also social skills."

Mr James Underwood, PE Co-ordinator for the school said, "It's great to be able to offer the children something different, they have really enjoyed today and all of them have learned to do at least one skill no matter what their ability with football, which is great."

The day finished off a week of sporting activity for Noremarsch where pupils have tried Taekwondo, Archery, netball, taken part in two sports day events and challenged each other to Tug of war.
