## Red Nose Day at Wellington Eagles Primary Academy

**Lilibet and the children at Wellington Eagles Primary Academy are raising money in red. Lilibet brought in her favourite red ball to join the children at school.**

Wellington Eagles are raising money and having fun whilst doing so. To raise money the children have been asked for a donation and to bring out their favourite red tops, shoes, trousers and having a fun filled day. Lilibet, the school's therapy dog, spent the day visiting the classrooms to show off her red ball, harness and collar alongside the children in their red outfits.

Comic Relief hosts sponsored days such as Red Nose Day, Sports Relief and Comic Relief to raise money for such an incredible cause. The money raised from these days goes towards helping people struggling with the cost-of-living crisis and to tackle issues such as homelessness, mental health problems, and food poverty in the UK and around the world.

Sarah Johnson-Motyl Headteacher at Wellington Eagles commented "It is great to see so many pupils wanting to help and understanding the meaning behind why Comic Relief is such a widely celebrated charity. Charities such as Comic Relief can be a great opportunity not only to raise money but to teach the children more about the world with Comic Relief supporting people globally. The pupils are amazingly creative with their outfits, from the red hair decorations to Red Nose Day inspired outfits, its great to see them expressing themselves through their choices or designs."
