

PRESS RELEASE

Noremarsh Junior School are the winners in the Royal Wootton Bassett Rotary Club School Quiz

A team of children from Noremarsh Junior School have won the recent Rotary Club Primary School Quiz in Wootton Bassett. The quiz is an annual event hosted at the Memorial Hall and is always hotly contested by teams from schools in the local area.

The winning team was Finn, Harrison and Elsie and they did Noremarsh proud, working brilliantly together in this fun competitive quiz. The evening was fun packed with all the school teams in high spirits and each school competing for the prize of a £20 book token for each team member along with a trophy for the school to display.

Finn, Harrison and Elsie went on to say “The quiz was very hard but we had so much fun. It was really nice to meet children from the other schools and have such friendly competition. We were very excited to have won as it was a complete surprise, we cannot wait to get our trophy and want to thank the Rotary Club for allowing us to compete.”

Hilary McMeekin Headteacher at Noremarsh Junior School commented “A massive congratulations to Finn, Harrison and Elsie, the whole school is extremely proud of them. The event was great fun and the team worked so hard, being the trophy winners fills us with great pride and we cannot wait to put it up pride of place in school.”
