## Primary and Secondary School Join Forces to Celebrate Sports Day

**Wellington Primary Academy held their end of academic year sports day. The day ended with a family fun picnic on the field.**

**With the sun shining and rain holding back, the Wellington Primary Academies and The Wellington Academy joined forces to host sports day for the pupils at the primary and parents. The day was full of fun activities, with the students from The Wellington Academy helping the primary pupils in completing the activities around the track.**

The track included egg and spoon races, space hopper races, balancing races, sack races and many more. All pupils from both the primary and academy worked together with the staff to make the day great fun. The day was full of great competitiveness and the pupils loved having their parents alongside to cheer them on, the school couldn't let the parents miss out on the fun including them in a parent race at the end of the event.

To end the day, the parents and pupils grabbed their picnic blankets and brought food along. The kitchen opened a pop-up shop for pupils, staff and parents to enjoy freshly baked treats. The atmosphere was enjoyable, with everyone socialising and appreciating each other's company. The pupils had fun introducing their younger siblings to their friends and enticing them along to play.

**This Academy is proud to be a part of the Ascend Learning Trust, to find out more please visit [www.ascendlearningtrust.org.uk](http://www.ascendlearningtrust.org.uk)**

Claire Addis Executive Headteacher for The Wellington Primary Academies went on to say “it is a great opportunity for the schools to join to work as a team. A massive thank you to The Wellington Academy for running our school’s sports day, the students from the academy were great at working with our children. We cherish the events where we can invite parents into the school, the parents were able to stay and watch the events, with an opportunity to join in on the races with a picnic on the field to end the day.”
