

PRESS RELEASE

Annual Fun Run at Local School

Noremarsh Junior School held it's annual fun run on Friday 29th September.

With the sun shining and the community out in full force, Noremarsh Junior School children took part in their annual fun run last week.

Each year group took it in turns to race the 'green mile' around the school field and out into Noremarsh park before passing the finish line. Volunteers from RWBA and the local community lined the route together with families and school staff. Noremarsh was also joined for the afternoon by the year 2's from Wootton Bassett Infants School.

At the finish line, children were welcomed with high fives from those who had already completed the course. Children can run, hop, skip or walk, the most important aspect of the afternoon is that everyone takes part. The event finished with a ceremony to congratulate 1st 2nd and 3rd place, with each 2nd and 3rd placed child receiving a frisby and 1st place were awarded their very own Noremarsh "winners" t-shirt. All children received a healthy snack at the end and were really pleased to have their achievements recognised.

Hilary Macmeekin, Noremarsh Headteacher, commented "It's important for us to create a close-knit community with our local schools and parents, we also know keeping active is important and it is a valued part of our school curriculum. By combining those two we are able to provide exciting and engaging outdoor opportunities for all to enjoy. The fun run is a favourite among the children, which is why we aim to annually organise the event." The sponsorship money is expected to reach over £700 and will be used to provide Noremarsh children with access to visitors and trips to enhance the school curriculum."
