Wiltshire School Expand their Legacy Garden

Royal Wootton Bassett Academy Sixth Form have been busy working on their Legacy Garden, the class of 2023 took it upon themselves to adapt and further progress the green space, located in the sixth form area.

Now the picnic bench and gravel have been placed, the area is ready to be used, students have worked hard preparing the garden. Come springtime, as the weather becomes brighter the area will be filled with an array of colourful flowers for the students to enjoy.

Katharine Salmon, Head of RWBA Sixth Form went on to say “The students have worked incredibly hard in creating the legacy garden, it is a great place for our current and future students to socialise and enjoy the outdoors during their down time. I look forward to spring when the flowers will have bloomed, and sixth formers will be able to make the most of it.”

This Academy is proud to be a part of the Ascend Learning Trust.
