## Parents Visit School For a Morning of Maths

**Noremarsh Junior School welcomed families into classrooms on Friday for a morning maths lesson! Ellie Chamberlain, Mathematics Teacher hosted the event, which was talking about all things maths from homework to how it is taught in school.**

The session included an introduction with Miss Chamberlain explaining the tools used in each year group. Parents then went into classrooms with their child to work with them in their maths lesson.

Some of the feedback from Noremarsh parents included, "Lovely to see the children enjoying maths and challenging themselves. Good to see how passionate Noremarsh are at maths." Another comment, "Brilliant event, would recommend doing more events. Not just maths but English as well."

Hilary MacMeekin Headteacher at Noremarsh Junior School went on to say, "it is all thanks to Ellie and the Noremarsh team that we can offer events such as Maths Morning. This year has been a great success with over double the number of parents visiting from last year, we are always looking for ways to help our parents at home and value all the feedback from Friday's event."
