community. From Further Mathematics to Bengali and Polish, pupils have excelled across an impressive range of qualifications.

“We are particularly proud that these results will open doors to exciting next steps for our young people, including places at sixth forms, colleges, apprenticeships and training programmes. While the grades themselves are worthy of celebration, they tell only part of the story. Behind every result is a pupil who has shown determination, resilience and a commitment to achieving their personal best.

“These excellent results are also a reflection of the dedication of our staff and the support of families. I would like to thank our teaching and support staff for their unwavering commitment to helping every pupil succeed. Their expertise, care and belief in our young people have played a vital role in these outstanding outcomes.

“Most importantly, I would like to congratulate our Year 11 pupils. They have embraced the values of the Lawn Manor Way by being ambitious, responsible and ready to learn, and they deserve every success that comes their way. We are incredibly proud of all they have achieved and look forward to seeing them continue to flourish in the next stage of their education and beyond.

“Congratulations, Year 11!”
