The Wellington Academy Celebrates A Level Success

Students at The Wellington Academy are celebrating their A Level results today; securing the grades needed to progress to university, apprenticeships, employment and further training opportunities.

This year's results reflect the hard work, determination and resilience shown by students throughout their studies, supported by the dedication of staff and families. Some really special highlights are Freya who progresses on to Medicine at the University of Southampton, Damian will be reading Economics at the University of Bristol, Rhys who will study International Business Management at the University of Bath and Emma is going on to study Biochemistry at the University of Edinburgh.

Freya and Rhys

Headteacher **Hannah Whitaker** said:
"We are incredibly proud of our students and all they have achieved. These results represent years of commitment, perseverance and ambition. Every grade tells a story of hard work and determination, and we are delighted to see so many

This Academy is proud to be a part of the Ascend Learning Trust.

students progressing to their chosen destinations.

"At The Wellington Academy, we are committed to ensuring that every student is known, supported and challenged to achieve their very best. Today's results reflect not only academic success but also the character, resilience and aspirations that our young people demonstrate every day.

receiving results today and wishes them every success as they begin the next stage of their journey.

Charis, Tilly and Sam

"We would like to thank our dedicated staff and the families who have supported students throughout their studies. We look forward to seeing what this talented group goes on to achieve in the future."

Students are now preparing to move on to a wide range of destinations including The Russell Group and other universities, higher apprenticeships, degree apprenticeships, employment and specialist training programmes.

The Academy extends its congratulations to all students
